STATISTICAL TABLES

Table No.	Subject	PAGES
1.1	Number of Registered Factories during 2023 by States/Union Territories	25
1.2	Estimated Average Daily Employment in Working Factories during 2023 by States/Union Territories and Industries	26-39
1.3	Factories Carrying on Operations Declared Dangerous and Workers in Such Operations during 2023 by States/Union Territories	40
1.4	Factories Carrying on Operations Declared Dangerous and Workers Employed in Such Operations during 2023 by Industries	41
2.1	Number of Working Factories and Average Daily Employment during 2023 by States/Union Territories	42
2.2	Number of Working Factories and Average Daily Employment during 2023 by Major Group of Industries	43-44
2.3	Estimated Average Daily Employment in Working Factories during 2023 by States/Union Territories and Industries at 3 digit level	45-86
2.4	Number of Working Factories and Estimated Average Daily Employment during 2023 by States/Union Territories under relevant Section of the Factories Act, 1948	87
2.5	Number of Working Factories and Estimated Average Daily Employment during 2023 by Sectors and States/Union Territories	88
2.6	Number of Working Factories and Estimated Average Daily Employment during 2023 by Sectors and Industries	89-90
2.7	Distribution of Factories Submitting Returns by Working Strength during 2023 by States/Union Territories	91-93
2.8	Distribution of Factories Submitting Returns by Working Strength during 2023 by Industries	94-99
2.9	Distribution of Factories Submitting Returns by Number of Days Worked during 2023 by States/Union Territories	100-101
2.10	Distribution of Factories Submitting Returns by Number of Days Worked during 2023 by Industries	102-105
2.11	Mandays Worked in Factories Submitting Returns during 2023 by Industries and States/Union Territories	106-113

2.12	Average Daily Employment in Working Factories (Submitting Returns) by Age and Sex and by States/Union Territories during 2023	114
2.13	Industry-wise Average Daily Employment in Working Factories(Submitting Returns) by Age and Sex during 2023	115-116
3.1	Employment by Normal Weekly Hours of Work for Adult Men Workers by States/Union Territories during 2023	117
3.2	Employment by Normal Weekly Hours of Work for Adult Women Workers by States/Union Territories during 2023	118
3.3	Employment by Normal Weekly Hours of Work for Adult Men Workers during 2023 by Industries	119-120
3.4	Employment by Normal Weekly Hours of Work for Adult Women Workers during 2023 by Industries	121-122
4.1	Annual Leave with Wages during 2023 by States/Union Territories	123
5.1	Industrial Accidents in Factories Submitting Returns during 2023 by Industries and States/Union Territories	124-130
5.2	Industrial Accidents in Factories Submitting Returns by Age and Sex during 2023 by States/Union Territories	131-132
5.3	Industrial Accidents in Factories Submitting Returns by Age and Sex during 2023 by Industries	133-134
5.4	Industrial Accidents in Factories Submitting Returns by Causes during 2023 by States/Union Territories	135-142
5.5	Industrial Accidents in Factories Submitting Returns by Causes during 2023 by Industries	143-150
5.6	Average Number of Mandays Lost due to Non-Fatal Accidents in which Workers Returned to Work during 2023 by States/Union Territories and Industries	151-154
8.1	Number of Safety Officers, Ambulance Rooms, Canteens, Shelters, Rest Rooms, Creches and Welfare Officers during 2023 by States/Union Territories	155-157
8.2	Number of Safety Officers, Ambulances Rooms, Canteens, Shelters, Rest Rooms, Creches and Welfare Officers during 2023 by Industries	158-161
9.1	Number of Factories inspected during 2023 by States/Union Territories	162
9.2	Inspectorate Staff Strength during 2023 by States/Union Territories	163-166
9.3	Number of Convictions obtained during 2023 by States/Union Territories	167

Summary of the Report

The Factories Act, 1948 is a Labour welfare legislation which was enacted with the prime objective of protecting workmen employed in factories against industrial and occupational hazards. It imposes upon the owners and occupiers obligations to protect the workers. The current edition presents detailed report on implementation of Factories Act, 1948 during the year 2023. The main highlights of the report are as follows: -

Growth of Factories

- There is an increase of 1.31 per cent in the number of total registered factories i.e. from 271073 in the beginning of the year to 274613 at the end of the year 2023 (Table 1.1).

- Of the total registered factories, the percentage of working factories was 79.63 per cent (Table 1.1).

- The number of factories submitting returns was 56752 i.e. 25.95 per cent of the total registered working factories (Table 1.1).

Average Daily Employment in Factories and its Distribution

- The major proportion of working factories i.e. 74.53 per cent as well as employment i.e. 91.23 per cent was reported under section 2m(i) of the Factories Act, 1948 (Table 2.4).

- Share of working factories under Public Sector was 2.39 per cent whereas in Private sector it was 97.61 per cent (Table 2 .5).

- Adult men constituted 83.97 per cent of the total average daily employment in the working factories (submitting return) whereas adult women were 15.94 per cent (Table 2.12).

- About 39.34 per cent of the total average numbers of workers employed daily in the working factories were employed in the factories carrying on dangerous operations (Table 1.3 & 1.4).

- About 61.58 per cent of the working factories were employing less than 50 workers (Table 2.7 & Table 2.8).

- About 79.44 per cent of the total number of factories submitting returns worked for more than 240 days (Table 2.9 & 2.10).

Hours of Work

- Normal weekly hours of work for most of the adult men (70.31 per cent) and women (56.66 per cent) were in the range of above 45 – 48 hours (Table 3.1 & 3.2).

- About 14.81 per cent of adult men and 12.59 per cent adult women were putting in above 48 hours of work per week (Table -3.1 & Table 3.2).

Leave and Holidays

- Out of total number of persons who were entitled to annual leave with wages, about 88.14 per cent were granted leave (Table-4.1).

Industrial Injuries

- Total Injuries (fatal and non-fatal) have decreased by 15.22 per cent i.e. from 2799 in 2022 to 2373 in 2023 (Table-5.1). **

- Frequency rate of injuries per one lakh mandays worked has declined from 0.22 during 2022 to 0.14 during 2023 (Table-5.1).**

- Incidence rate per thousand average daily employment decreased from 0.26 in 2022 to 0.19 in 2023 (Table 5.1). **

- Out of the total injuries (fatal and non-fatal) reported, about 94.02 per cent were in case of men and about 5.98 per cent were related to women.(Table 5.2 & 5.3).

- Severity rate of mandays lost due to injuries per one lakh mandays worked has increased from 6.85 in 2022 to 109.48 in 2023 (Table 5.6).**

Inspections

- Out of total factories inspected, 91.88 per cent factories were inspected only once and rest were inspected twice or more (Table 9.1).

Convictions

- Out of the total 5239 Convictions, 1274 Convictions i.e. 24.32 per cent pertained to the offences relating to Safety Provisions. (Table 9.3).

** (The composition of the responding states submitting returns might differ from year to year.)

C H A P T E R – 1

SALIENT FEATURES OF THE FACTORIES ACT, 1948

Labour being in the concurrent list of the Indian Constitution, data on various aspects of labour is collected both by Central and State Governments. Most of the data are by product of the administration of various labour laws. The Factories Act, 1948 is one such Act, which came into force on 01.04.1949 and is applicable to the whole of India excluding Three States/Union Territories namely, Arunachal Pradesh, Sikkim and Lakshadweep.

1. OBJECTIVE

The main objective of the Act is to ensure adequate safety measures and to promote health and welfare of the workers employed in factories to protect the workers against industrial occupational hazards as well as to prevent the workers from being subject to unduly long hours of bodily strain and manual labour. The Act is meant to provide protection to the workers from being exploited and also provides for improvement of the working conditions within the factory premises.

2. COVERAGE

The coverage of the Act is confined to: -

(a) factories using power and employing 10 or more workers on any working day of the preceding twelve months;

(b) factories not using power and employing 20 or more workers on any working day of the preceding twelve months; and

(c) factories specially notified under Section 85 of the Act by the Governments of State/Union Territories.

2. IMPORTANT CONCEPTS AND DEFINITIONS

(a) Factory means any premises including the precincts thereof:-

i) wherein ten or more workers are working or were working on any day of the preceding twelve months and in any part of which a manufacturing process is being carried on with the aid of power, or is ordinarily so carried on or

ii) wherein twenty or more workers are working or were working on any day of the preceding twelve months and in any part of which a manufacturing process is being carried on without the aid of power or is ordinarily so carried on.

(b) Worker means a person employed directly or by or through any agency (including a contractor) with or without the knowledge of the principal employer, whether for remuneration or not in any manufacturing process or in cleaning any part of the machinery or premises used for a manufacturing process or in any kind of work incidental to or connected with the manufacturing process or the subject of manufacturing process [but does not include any member of the armed forces of the Union].

(c) Manufacturing Process means any process for: -

i) Making, altering, repairing, ornamenting, finishing, packing, oiling, washing, cleaning, breaking up, demolishing or otherwise treating or adapting any article or substance with a view to its use, sale, transport, delivery or disposal or

ii) Pumping oil, water, sewage or any other substance or

iii) Generating, transforming or transmitting power or

iv) Composing types for printing, printing by letter press, lithography, photogravure or other similar process or book binding,

v) Constructing, reconstructing, repairing, refitting, finishing or breaking up ships or vessels,

vi) Preserving or storing any article in cold storage.

(d) Hazardous Process means any process or activity in relation to an industry specified in the First Schedule where, unless special care is taken, raw materials used therein or the intermediate or finished products, by- products, wastes or effluents thereof would:

(i) cause material impairment of the health of the persons engaged in or connected therewith, or

(ii) result in the pollution of the general environment,

Provided that the State Government may, by notification in the Official Gazette, amend the First Schedule by way of addition, omission or variation of any industry specified in the said Schedule.

(e) Fatal Injury means injury resulting from industrial accident which caused death of the worker.

(f) Non-Fatal Injury means injury resulting from an industrial accident, which prevented injured worker from attending to the work for a period of 48 hours or more immediately following the injury.

(g) Adult means a person who has completed his eighteenth year of age.

(h) Adolescent means a person who has completed his fifteenth year of age but has not completed his eighteenth year.

(i) Child means a person who has not completed his fifteenth year of age.

(j) Average Number of Workers Employed Daily is calculated by dividing the aggregate number of attendance on all the working days (that is, mandays worked) by the number of working days in the year. Attendance on separate shifts (e.g. night and day shifts) should be counted separately. Days on which the factory was closed for whatever cause and days on which the manufacturing process was not carried on should not be treated as working days. Partial attendance for less than half a shift on a working day should be ignored, while attendance for half a shift or more on such day should be treated as full attendance.

(k) Mandays Worked means total number of attendance on working days during a calendar year.

(l) Average Number of Hours Worked per week means the total actual hours worked by all workers during the year excluding the rest intervals but including overtime worked divided by the product of average number of workers employed daily in the factory and 52 weeks. In case the factory has not worked for the whole year, the number of weeks during which the factory worked would be used in place of 52.

(m) Limitations of the data**:** The following States/U.Ts have not Submitted their returns for the year 2023 despite repeated remainders or have Submitted defective returns and are, therefore, excluded.

State/U.Ts. (which did not submit the returns**)**	**State/U.Ts. (**which submitted defective returns**)**
1. Madhya Pradesh 2. Punjab 3. Uttar Pradesh 4. West Bengal	1. Karnataka 2. Maharashtra

C H A P T E R – 2

DISTRIBUTION OF FACTORIES

2.1 This chapter provides data relating to the total number of factories on register at the beginning of the year, the number of factories registered and de-registered during the year, number of working factories with estimated average daily employment, number of working factories submitting returns by size of employment, number of days worked and their distribution by public and private sectors.

2.2 The details of registered factories by States/Union Territories for the year 2023 have been presented in Table 1.1.This table shows that the total number of factories on register increased by 1.31 per cent from 271073 in the beginning of the year 2023 to 274613 at the end of the year 2023. While 13167 new factories were registered during the year 2023, the number of factories de-registered from the register during the same period was 9627. Out of the total number of factories on register at the end of the year 2023, 79.63 per cent factories were reported as working.

2.3 Number of the working factories and estimated average daily employment by States and Industries for the year 2023 has been presented in Table 1.2. During 2023, the industry group 'Manufacture of Food Products' (Industry Code 10) accounted for 16.36 per cent of the total number of working factories, followed by the 'Manufacture of other non-metallic mineral products' (Industry Code 23) which accounted for 11.17 per cent. The highest estimated average daily employment was reported for industry group 'Manufacture of Food Products ' (Industry Code 10) which was 10.80 per cent of the total estimated average employment, followed by the 'Manufacture of textiles' (Industry Code 13) which accounted for 9.68 per cent.

2.4 The number of factories carrying on operations declared dangerous under Section 87 of the Factories Act, 1948 by States and by Industries has been shown in Tables 1.3 and 1.4 respectively. The proportion of average daily number of workers employed in dangerous operations to total average daily number of workers employed in working factories worked out to be 39.34 per cent in the year 2023. As revealed from Table 1.3, the maximum number of working factories carrying on dangerous operations was reported by Gujarat followed by Tamil Nadu.

2.5 The employers of registered factories are required to submit annual returns in the prescribed form under the Factories Act, 1948 to the Chief Inspector of Factories of their respective States/Union Territories, who, in turn furnish the consolidated data in respect of the entire State/Union Territory in the prescribed proformae to the Labour Bureau. Some of the factories, however, do not submit their returns. Thus the factories are divided into two categories i.e. (i) those submitting returns and (ii) others non-submitting returns. The data on working factories submitting returns are given in Table 1.1. It shows that 25.95 per cent of the total working factories submitted the annual returns in prescribed format under the Factories Act, 1948 for the year 2023. The response rate was highest in A & N at 76.74 per cent followed by Tamil Nadu at 74.24 per cent and Goa at 61.34 per cent. The lowest response rate was in Bihar, reported at 1.05 per cent, followed by Jharkhand at 3.24 per cent and Daman & Diu and Dadra & Nagar Haveli at 3.35 per cent. The break-up of working factories into those submitting and non- submitting returns by states and industries are given in Table 2.1 and Table 2.2. When analyzed by industries, 'Manufacture of Food Products'

industry (Industry Code 10) ranked first with 11.93 per cent of the total factories submitting returns, followed by 'Manufacture of textiles' (Industry Code 13) at 10.46 per cent w.r.t. working factories submitting returns.

2.6 Distribution of working factories submitting returns by size of employment during the years 2017 to 2023 has been given in Table 2(i) below. It shows that the percentage of factories (submitting returns) was 62 per cent, for factories employing less than 50 workers during the year 2023.

Table –2(i) Distribution of Factories (Submitting Returns) by Size of Employment(Ref. Table-2.7)

Year	Total No. of Working Factories submitting returns	Percentage of Factories (submitting returns)		
		Employing less than 50 workers	Employing 50 or more but less than 500 workers	Employing 500 or more workers
1	2	3	4	5
2017	52334	62	31	7
2018	26534	57	36	7
2019	56659	70	26	4
2020	48406	65	29	6
2021	34894	64	28	8
2022	32412	63	32	5
2023	56752	62	33	5

2.7 The distribution of working factories (submitting returns) according to number of days actually worked during the years 2017 to 2023 is presented in Table 2(ii). It shows that maximum of the total factories (submitting returns) i.e. 79.44 per cent worked for more than 240 days during the year 2023. During the previous year's also a similar trend was observed.

Table – 2(ii) Distribution of Working Factories Submitting Returns According to Number of Days Worked (Ref. Table-2.9 & 2.10)

Year	Factories working for 240 days or less in the year		Factories working for more than 240 days in the year		All working Factories
	Number	Percentage	Number	Percentage	Number
1	2	3	4	5	6
2017	14443	27.60	37891	72.40	52334
2018	4352	16.40	22182	83.60	26534
2019	13438	23.72	43221	76.28	56659
2020	9581	19.80	38825	80.21	48406
2021	6366	18.24	28528	81.76	34894
2022	6563	20.25	25849	79.75	32412
2023	45082	79.44	11670	20.56	56752

2.8 Distribution of working factories by Sector during the year 2023 has been presented in Table -2(iii).

Table – 2(iii) Distribution of Working Factories by Sector During 2023(Ref. Table-2.6)

Sector	Number of working Factories	Percentage to total
Public	5235	2.39
Private	213436	97.61
Total	218671	100.00

CHAPTER-3

AVERAGE DAILY EMPLOYMENT

3.1 The statistics collected under the Factories Act, 1948 relate to workers as defined under the Act, i.e. persons employed directly or through any agency, whether for wages or not in any manufacturing process or in cleaning any part of machinery or premises used for manufacturing process or any other kind of work incidental to or connected with manufacturing process. The definition covers not only workers but also those supervisory and clerical personnel who are connected with manufacturing processes. Further, the coverage is limited to factories as defined in the Factories Act, 1948, viz., a) factories using power and employing 10 or more workers on any working day (Section 2m (i)), b) factories not using power and employing 20 or more workers on any working day (Section 2m (ii)) and c) factories specially notified under Section 85 of the Factories Act by the State Government.

3.2 The employment data which represent average daily employment are furnished by each factory by dividing total attendance (man days worked) in a year by the total number of working days during the year. The estimated employment for factories not submitting returns is obtained by the State authorities on the basis of following in order of their preference:-

i) recent factory inspection reports
ii) last year's employment data
iii) employment figures reported in the application for registration or grant or renewal of license.

3.3 The average daily employment for an industry group or a State is obtained by summing up the reported and estimated figures of average daily employment for all factories belonging to an industry or a State.

3.4 Table 2.1 depicts estimated average daily employment in all the working factories by States/U.T.s in the responding states during 2023. The total estimated average daily employment was 12.74 million in the year 2023. The estimated average daily employment in the factories submitting returns accounted for 48.09 per cent of the total estimated average daily employment in the total working factories. The average daily employment per working factory worked out to be 58.26 at all India level. It was highest in Uttrakhand (200.41) and lowest in Nagaland (11.67).

3.5 Estimated average daily employment by Industry Groups at two digit level and by States/Industry Groups at three-digit level of National Industrial Classification, 2008 has been presented in Tables 2.2 and 2.3 respectively. These tables reveal that Andhra Pradesh, Gujarat, Kerala, and Tamil Nadu together accounted for 51.04 per cent of the total working factories and the bulk of employment i.e. 46.43 per cent of the total employment. Amongst the Manufacturing groups, the average daily employment per working factory was the highest i.e. 339.93 in the 'Extraction of crude petroleum and natural gas' (Industry Code 06) and the lowest i.e. 9.00 was in 'Activities of head offices; management Consultancy activities' (Industry Code 70).

3.6 State-wise number of working factories and estimated average daily employment covered under Section 2m (i), 2m (ii) and notified under Section 85 of the Factories Act, 1948 have been shown in table 2.4. It may be seen from this Table that a major proportion of working factories i.e. 74.53 per cent as well as employment i.e. 91.23 per cent was reported

under Section 2m (i) of the Factories Act, 1948. Further, under this Section i.e. 2m(i) the share of four states viz., Gujarat, Haryana, Tamil Nadu and Telangana together constituted about 53.68 per cent of the total working factories {under 2m(i) Section} whereas in case of estimated average daily employment, these States together accounted for 50.50 per cent.

3.7 The number of working factories and estimated average daily employment by States and Industries in Public and Private Sector has been presented in Tables 2.5 and 2.6. It may be seen from these tables that factories in the Public Sector accounted for 2.39 per cent of total working factories and 6.54 per cent of the total estimated average daily employment. The Private Sector accounted for the remaining 97.61 per cent of total working factories and 93.46 per cent of the total estimated employment. Average daily employment in Public Sector was the highest i.e. 12.89 per cent in the 'electricity, Gas, Steam and air condition Supply' (Industry Code 35). In the case of Private Sector, highest average daily employment i.e. 10.89 per cent was reported in 'Manufacture of food products' (Industry Code-10).

3.8 The distribution of working factories submitting returns according to average daily number of workers employed therein as classified by States/Union Territories and by Major Industry Groups is given in Tables 2.7 and 2.8.

3.9 The number of factories submitting returns and average daily number of workers employed therein in the various employment size-groups are presented in the Table 3.(i) as under.

Table -3(i)

Number of Working Factories Submitting Returns and Average Daily Employment Therein by Employment Size- Group for the Year 2023

Employment Size	No. of Factories	Employment
5000 & above	86	622139
1000 to 4999	852	1440970
500 to 999	1840	1032261
100 to 499	8018	1518559
50 to 99	11010	761069
20 to 49	17956	548916
10 to 19	11290	165321
9 and below	5700	38096
Total	56752	6127331

3.10 Table-3(ii) presents the details of industry groups in which the large-size units employing 1,000 and more workers were reported.

Table – 3(ii)

Total Number of Units Employing 1000 or More Workers and Percentage of Employment in Such Units to the Total Employment in Each Selected Industry Group for the Year 2023 (Ref. Statistical Table No. 2.8)

Industry Code (NIC-2008)	Industry group	No. of units employing 1000 or more workers	Persons employed in the units in Co.(3) and its percentage to total employment in each selected industry
1	2	3	4
05	Mining of coal and lignite	1	1120(34.79)
06	Extraction of crude petroleum and natural gas	10	10000(79.85)
07	Mining of metal ores	1	1268(59.73)
10	Manufacture of food products	34	58830(13.86)
11	Manufacture of beverages	5	2598(5.82)
12	Manufacture of tobacco products	6	17398(59.60)
13	Manufacture of textiles	77	167518(26.28)
14	Manufacture of wearing apparel	40	128588(37.45)
15	Manufacture of leather and related products	27	49272(28.48)
16	Manufacture of Wood and of products of Wood and Cork, except Furniture; manufacture of articles of Straw and plaiting materials	3	4948(8.28)
17	Manufacture of paper and paper products	57	31192(25.16)
18	printing and reproduction of recorded media (this division excludes publishing activities, See Section J For publishing activities	22	12156(16.52)
19	Manufacture of coke and refined petroleum products	21	49792(49.29)
20	Manufacture of chemicals and chemical products	118	138403(33.41)
21	Manufacture of pharmaceuticals, medicinal chemical and botanical products	51	129117(40.72)
22	Manufacture of rubber and plastics products	30	61201(21.20)
23	Manufacture of other non-metallic mineral products	45	86377(26.67)
24	Manufacture of basic metals	69	255777(56.83)

25	Manufacture of fabricated metal products, except machinery and equipment	40	61632(17.25)
26	Manufacture of computer, electronic and optical products	24	66877(44.80)
27	Manufacture of electrical equipment	23	47087(26.39)
28	Manufacture of machinery and equipment n.e.c.	24	52424(25.10)
29	Manufacture of motor vehicles, trailers and semi-trailers	57	140764(45.90)
30	Manufacture of other transport equipment	31	85052(61.12)
31	Manufacture of furniture	4	4747(8.69)
32	Other manufacturing	26	94555(48.25)
33	Repair and installation of machinery and equipment	3	5696(29.28)
35	Electricity, gas, steam and air conditioning supply	38	144307(68.94)
36	Water Collection , treatment and Supply	3	78(0.52)
37	Sewerage	1	1500(44.16)
41	Construction of buildings	1	2250(31.72)
43	Specialized Construction activities	3	4268(42.67)
45	Wholesale and retail trade and repair of motor vehicles and motorcycles	29	127473(43.91)
46	Wholesale trade, except of motor vehicles and motorcycles	4	7540(42.73)
47	Retail trade, except of motor vehicles and motorcycles	4	5229(16.33)
52	Warehousing and support activities for transportation	2	3200(7.70)1
72	Scientific research and development	1	1305(29.57)
82	Office administrative, office Support and other business Support activities	3	1570(27.63)

N.B. Figures in brackets indicate percentage to the total employment in the industry shown in Col. (2).
*NEC. = Not Elsewhere Classified

3.11 The distribution of working factories submitting returns classified according to number of days worked and average daily employment therein by States and Major Industry Groups is given in Tables 2.9 and 2.10. The number of working factories submitting returns as classified in various groups of working days and employment therein is given in the Table -3(iii) below.

Table – 3(iii)
Number of Working Factories (Submitting Returns) and Employment Therein Classified According to the Number of Days Actually Worked During the Year 2023

No. of working days	Number of Factories	Average Daily Employment
1	2	3
More than 300 days	19333	2662091
More than 240 days and up to 300 days	25749	2655735
More than 180 days and up to 240 days	5771	510942
More than 120 days and up to 180 days	3022	175041
More than 60 days and up to 120 days	1400	63378
up to 60 days	1477	60144
Total	56752	6127331

Data presented in the above Table reveal that 79.44 per cent of the total number of working factories submitting returns worked for more than 240 days during the year 2023. Only a very small fraction of such factories i.e. 2.60 per cent worked for up to 60 days during the year 2023.

3.12 The number of mandays worked in working factories submitting returns by Industry groups and by States has been presented in Table 2.11. Taking all States combined together, the industry group 'Manufacture of textiles' (Industry Code-13) accounted for maximum number of mandays worked i.e. 10.54 per cent.

3.13 Under the Factories Act, 1948, adult, adolescent and child have been clearly defined. The State-wise and Industry-wise Average Daily Employment by age– categories and sex has been presented in Tables 2.12 & 2.13 respectively. It may be seen that adult men and adult women constituted 83.97 per cent and 15.94 of the total average daily employment respectively. Among the States, Tamil Nadu reported the highest number of workers i.e. 30.05 per cent of total average daily employment. Among the adult women workers, Tamil Nadu reported the highest number of women workers i.e. 58.62 per cent of total women workers in the year 2023. Amongst industry groups, the maximum numbers of adult women workers i.e. 17.70 percent were employed in the industry group 'manufacture of textiles' (Industry Code-13).

CHAPTER-4

HOURS OF WORK

4.1 Section 51 of the Factories Act, 1948 prescribes that no adult worker shall be required or allowed to work in a factory for more than forty-eight hours in any week. Further, Section 54 stipulates that subject to the provision of Section 51, no adult worker shall be required or allowed to work in a factory for more than nine hours in any day. However, there is a provision to this section which states that subject to the prior approval of the Chief Inspector of Factories, the maximum daily hours specified in Section 54 may be exceeded in order to facilitate the change of shifts.

4.2 Section 52 of the Act states that no adult worker shall be required or allowed to work in a factory on the first day of the week i.e. weekly holiday. Section 53 of the Act, further, states that if the worker is deprived of any of the weekly holidays for which provision is made in Section 52, he shall be allowed, within the month in which the holidays were due to him or within the two months immediately following that month, compensatory holidays of equal number to the holidays so lost. Section 55 of the Act lays down that the periods of work of adult workers in a factory each day shall be so fixed that no worker shall work for more than 5 hours before he has had an interval for rest of at least half an hour. The Chief Inspector of Factories can exempt any factory from this provision so that the total number of hours worked by a worker without an interval does not exceed six hours.

4.3 Section 56 of the Act stipulates that the period of work of an adult worker in a factory shall be so arranged that, inclusive of his intervals for rest under Section 55, it shall not spread over more than ten and half hours on any day. The Chief Inspector of Factories may however, increase the spread over up to twelve hours on specific grounds.

4.4 The reports received from various States/Union Territories on the working of the Factories Act, 1948 highlight satisfactory compliance with the provisions relating to hours of work.

4.5 Details pertaining to specified normal weekly hours each for adult men and adult women workers by States and Industries have been given in Tables 3.1 to 3.4. Normal weekly hours for most of the adult men and women were in the range of 45-48 hours in the factories submitting returns. The following Table presents the percentage distribution of adult workers by normal weekly hours of work.

Table –4(i)
Percentage distribution of Adult Workers in Factories Submitting Returns by Normal Weekly Hours of Work during the year 2023

Category of Workers	Normal Hours of Work per Week			
	Upto 42 hours	Above 42 and upto 45 hours	Above 45 and upto 48 hours	Above 48 hours
1	2	3	4	5
Men	3.23	11.64	70.31	14.81
Women	7.71	23.05	56.66	12.59

CHAPTER-5

LEAVE AND HOLIDAYS

Section 79 of the Factories Act provides that every worker who has worked for a period of at least 240 days or more in a factory during the calendar year shall be allowed during the subsequent calendar year, leave with wages at the rate of (a) one day for every twenty days worked in the case of adults, and (b) one day for every fifteen days worked in the case of children. The leave admissible is exclusive of holidays that occur during or at either end of the leave period. Provision is also made for proportionate leave with wages for a worker who is discharged or dismissed before he has completed 240 days service. The days of lay off, by agreement or contract or as permissible under the standing orders, maternity leave in case of female workers not exceeding twelve weeks and the leave earned in the year prior to that in which leave is enjoyed shall be deemed to be the days worked in a factory for the purpose of computation of the period of 240 days or more but shall not earn leave for these days. While calculating leave, fraction of leave of half a day or more shall be treated as one full day's leave and fraction of less than half a day shall be omitted. If a worker does not take whole of leave entitled to him in any one calendar year, such leave is allowed be added to the leave to be allowed in the succeeding calendar year. The total number of days of leave that may be carried forward to the succeeding year shall not exceed thirty in case of an adult and forty in case of a child.

5.1 Sections 79 and 53 of the Factories Act, 1948 deal with the grant of annual leave with wages and compensatory holidays respectively. Rules framed by the State Governments and Union Territories require factories to furnish information relating to number of persons employed, number of persons eligible for leave and number of persons actually granted leave during the year. It has been observed from the consolidated returns received from various States/Union Territories that 88.14 per cent of the total number of persons, who were entitled to annual leave with wages, were granted leave during the year, 2023. The provisions relating to leave and compensatory holidays were reported to be generally well observed in various States/Union Territories. The statistics relating to annual leave with wages during the year 2023 is given in Table 4.1.

CHAPTER-6

INDUSTRIAL INJURIES

6.1 This chapter provides the statistics of fatal injuries and non-fatal injuries resulting from industrial accidents by reasons due to which the persons injured are prevented from attending to work for a period of forty-eight hours or more immediately following the accidents. The coverage remains limited and varies from year to year because many factories fail to submit the returns. The numbers of injuries are based on the notices of accidents to the notified authorities in a prescribed manner.

6.2 The important statistical measures for injuries are (i) Frequency Rate, (ii) the Severity Rate and (iii) Incidence Rate. The Frequency Rate is calculated by dividing the total number of injuries by corresponding number of mandays worked in lakhs. The Severity Rate, which takes into account the duration of disability as well, is calculated by dividing the number of mandays lost due to injuries by the number of mandays worked in lakhs. This rate is calculated only in respect of those non-fatal injuries in which workers returned to work during the same year. The incidence rate is calculated by dividing the number of injuries by average daily employment per thousand. The statistics are based on injuries reported in the annual returns.

6.3 The number and frequency rates of fatal, non-fatal and total injuries in factories submitting returns during the years 2010 to 2023 are given in Table-6 (i) below:

Table –6 (i)

Number of Fatal, Non-Fatal, Total Injuries and Their Frequency Rate

Year	Fatal Injuries		Non-Fatal Injuries		All Injuries	
	Number	Frequency Rate per one lakh mandays worked	Number	Frequency Rate per one lakh mandays worked	Number	Frequency Rate per one lakh mandays worked
1	2	3	4	5	6	7
2010	1064	0.06	10111	0.58	11175	0.64
2011	1083	0.07	9358	0.65	10441	0.72
2012	682	0.09	5087	0.66	5769	0.75
2013	494	0.08	1951	0.30	2445	0.37
2014	515	0.06	3984	0.43	4499	0.49
2015	789	0.05	4711	0.28	5500	0.33
2016	777	0.1	3129	0.41	3906	0.51
2017	668	0.07	2481	0.26	3149	0.33
2018	636	0.08	2025	0.27	2661	0.35
2019	661	0.03	1879	0.09	2540	0.12
2020	652	0.1	1713	0.27	2365	0.37
2021	571	0.07	1434	0.17	2005	0.24
2022	656	0.05	2143	0.17	2799	0.22
2023	728	0.04	1645	0.1	2373	0.14

Note: Based on Annual Returns received from different States/Union Territories.

6.4 Industry-wise and State-wise figures of fatal, non-fatal and total injuries for 2023 have been shown in Table 5.1. Amongst Industries 'Manufacture of basic metals' (Industry Code 24) ranked first with 370 injuries (both fatal & non-fatal), as it accounted for 15.59 per cent of the total number of injuries.

6.5 The Frequency Rate of injuries (fatal and non-fatal combined together) per one lakh man days worked was the highest in the industry group 'Services to buildings and landscape activities' (Industry Code 81) being 3.32. The Incidence Rate of injuries (fatal and non-fatal combined together) per 1000 workers employed was again the highest in the industry group 'Services to buildings and landscape activities' (Industry Code 81) being 5.35.

6.6 Among the States/Union Territories, Gujarat reported the highest i.e. 718 injuries (fatal and non-fatal), which constituted 30.26 per cent of the total number of injuries. Of the total injuries during the year 2023, 30.68 per cent were fatal and rest was non-fatal injuries. The number of accidents in respect of women workers was very less in comparison to the men workers (Ref. Table 5.2).

6.7 Cause-wise number of injuries for the year 2023 by States and Industries have been presented in Tables 5.4 and 5.5. Among all the different causes, a cause 'Others' which includes Molten metal & Other hot or corrosive substances, Machinery not moved by mechanical power, Use of hand tools, Struck by falling body, Persons falling, Stepping on/ striking against the objects and Handling goods/ articles etc. (cause codes 121 to 131) accounted for majority of injuries i.e. 1230 which is 51.83 per cent of the total number of injuries reported under 'causes' during the year 2023.

6.8 The average number of man days lost due to non-fatal injuries, frequency rate and severity rate of non-fatal injuries in which workers returned to work during the same year by States and Industries during 2023 have been shown in Table 5.6. The overall average number of mandays lost was 1448.4. Among the States/Union Territories, it was reported to be highest in Gujarat (3997.11 mandays) and the lowest in Uttrakhand (3.08 mandays).

6.9 The overall frequency rate of injuries where workers returned to work was 0.08 in the year 2023(Table-5.6). It was the highest in A & N i.e. 2.49 and among the industry groups it was the highest in the Industry group of 'advertising and market research' (Industry Code 73) i.e. 1.48 in the year 2023.

6.10 The overall severity rate of non-fatal injuries was 109.48 in 2023. It was highest in Gujarat (454.91) during 2023. Among the industry groups, it was highest in the industry group of 'manufacture of Chemicals and Chemical products' (Industry Code 20) i.e. 35.39 in the year 2023.

CHAPTER-7

SAFETY MEASURES

7.1 With the continuous increase in the use of machinery, the arrangements for ensuring safety in factories have assumed immense significance. The Factories Act, 1948 has provided for several measures to ensure safety of the workers. Some of these are: (i) Fencing of machines of all sorts is compulsory, (ii) No person is to be employed in any factory to lift, carry or move any load so heavy as to be likely to cause him injury, (iii) If it appears to the Inspector that any building or part of a building or any part of the ways, machinery or plant in a factory is in a condition that it is dangerous to human life or safety, he may serve on the Manager of the factory an order in writing specifying the measure which in his opinion should be adopted and requiring them to be carried out before a stipulated date.

The important measures taken by different Factory Inspectorates of the respective States /U.Ts. in this direction in the year 2023 are summarized below: -

7.2 ASSAM: The Inspectorate of Factories has taken special care for implementation of the Safety provisions of the Factories Act, 1948 and rules framed there under during the year. The department organized 'National Safety Day' and 'Safety Week' in factories. Inspectorate of Factories is also imparting training of the workers as well as to the management. Moreover necessary guidance and advice was given by the Inspectors on adoption of safety precautions such as guarding of machinery safe working conditions, careful handling of materials, use of personal protective devices etc. The Hazardous and major accident hazards factories of Assam were asked to formulate their safety policies and to submit the policies. Most of the factories particularly the hazardous factories have constituted safety committee in the factory. Mock drills at periodical intervals were also carried out in the major accident hazards factories. The major accident hazards factories in the state have submitted the ON SITE emergency plans. The management of these factories have also been asked to prepare and submit the OFF SITE emergency plans and disclosure of information as required under the provision of the Act.

7.3 BIHAR: To ensure the implementation of the safety measures the Chemical & Hazards Factories have been advised to make ON-SITE Emergency Plan and make Safety and Health Policy. The Inspector of Factories & Medical Inspector were advised to inspect factories from time to time.

7.4 GOA: The Inspectorate conducted the safety promotional activities which include the training courses in the Industrial Safety and First Aid for different factory workers and students. The Inspectorate conducted many programmes on chargeable basic on Safety & Health and First Aid on Safety & Health wherein 2855 & 119 workers are trained respectively.

7.5 HARYANA: The Inspectorate Staff ensures the implementation of the safety measures. Violations of these provisions were found generally in units which were equipped with old machines. Sometimes workers do work without safety equipments as a result of which accidents of serious nature have taken place. The State Directorate of Industrial Safety Directorate is encouraging the factories to conduct various training programmes for the Supervisors to educate advice and train them for maintaining safety system at work place (Section 21). The certifying Surgeons of the department continued to visit units regularly to medically examine the workers employed in dangerous operations as per schedule laid down

in rule 72 of the Punjab Factories Rules, 1952 (Section 87). In some units which were involved in operations such as emission of dangerous fumes and dust etc., exhaust fans were provided while in other units, personal protective equipments were also provided to the workers for full protection. It was generally found that the workers did not wear protective equipment and goggles. According to the policy of the department, managements were prosecuted only if offences were repeated after warning (Section 36 & 37). The Directorate staff continued to take persuasive and legal steps for enforcing the use of desired equipments. Prosecutions for violations of the safety measures laid down in Section 22, 24 to 26, 28 to 35 and 38 were launched in 389 cases during 2023.

7.6 JHARKHAND: The inspectorate paid great attention to the field of accident prevention. All major factories were encouraged to seek the Co-operation of workers by introducing training programmer, seminars, exhibitions, lectures, meeting, film show, poster and slogans competition etc.

7.7 TELANGANA: Across the State, there were 110 factories wherein one thousand or more workers were ordinarily employed & notified for appointment of safety Officers. There were 133 factories which have appointed Safety Officer as required under Section 40-B. One Hundred Sixty Two (162) Safety Officers were appointed in these factories.

7.8 TRIPURA: The compliance regarding safety measures was found to be satisfactory except in cases of "Fencing of Machinery" (Section 21) and protection in case of fire (section-38) where prosecution was launched against violation. The arrangements were found to be satisfactory in "Striking Gear and device for Cutting Power" (Section 24) except for new factories for which remedial measures had been instructed. In Pressure Plant (Section 31) many mini boilers (outside the purview of Indian Boilers Act) were put in use in many factories for supply of steam above normal atmospheric pressure. Safety valve tests were carried out to ensure safety in the operation. State rules are in force regarding "Carriage of excess weight (Section 34), limiting the maximum weight to be carried by workers. Only in one factory belonging to State Govt. Undertaking, the prescribed number of workers required for an appointment of one Safety Officer, but Safety Officer has not been appointed. In respect of site appraisal by the Site Appraisal Committee, it was not found satisfactory particularly for factories belonging to Govt. Compliance of provisions under hazardous processes (section 41-A to 41-H) in respect of factories under Private Sector and Public Sector is more or less satisfactory.

CHAPTER-8

HEALTH

8.1 Information available in the Annual Administrative Reports 2023 of various State Governments and Union Territories on health provisions for factory workers is discussed in the following paragraphs:

8.2 ASSAM: The Environment may be responsible for the cause of occupational diseases or other non-occupational diseases. The environmental factors such as presence of contaminants in the air, physical factors like humidity, noise, lighting etc. are examined by the Inspector and preventive measures are suggested. The Industrial Hygiene Laboratory had been revived and new equipments were procured for functioning of the laboratory. The laboratory staff was entrusted with the job of testing sound level, environmental monitoring and toxic gas detection. Also there is a Safety Cell headed by a Additional Chief Inspector of Factories under the supervision of this cell, the major hazardous Factories were classified and mock drills were carried out in the major hazards units. It also assessed the preventive and protective measures taken by the management of the hazardous unit and suggested additional measures to improve the work environment from the safety point of view.

8.3 HARYANA: Due to lack of proper attention given by the managements of small factories, the standard of general cleanliness was not satisfactory and such factories are either prosecuted for non compliance or warned to remain vigilant in future. However, in the big industrial units, the conditions were quite satisfactory. Some of the factories have made their own arrangements for disposal of trade-waste and effluents. Those managements who were found lacking had been asked to obtain no objection certificate from the Pollution Control Board, because the aspect of disposal of waste and effluents is mainly looked after by the Environment Department and Pollution Control Board. The arrangements of exhaust system in the units where dry mixing, pesticides formulating and other operations involving emission of dust, fumes and smokes from various liquids and gases were carried out were satisfactory. The arrangements of exhaust fans and chimneys were made wherever required. The need for humidification is generally felt in the textile industry dealing in cotton, yarn, staple yarn and cloth making industry. In some of the textile units, the Hygrometers were not properly maintained. The other provisions covering health & sanitation i.e. Ventilation & Temperature, Lighting, Overcrowding, Drinking Water, Latrine & Urinals and Spittoons were found to be implemented satisfactorily.

8.4 TRIPURA: The Inspectorate staff inspects the factories time to time to look after the proper implementation of various provision of the Factory Act, 1948 regarding Health and sanitation. During the year, on the whole, various provisions of the Act covering Health and Sanitation i.e. Cleanliness (Section-11), Disposal of Waste and Effluents (Section-12), Ventilation & Temperature (Section-13), Dust & Fumes (Section-14), Overcrowding (Section-16), Lighting (Section-17), Drinking Water Facilities (Section-18), Latrines and Urinals (Section-19), & Spittoons (Section-20) were found to be implemented satisfactorily in the factories except in a few factories where inadequate ventilation and improper Dust and Fumes were reported. The position has, however improved after interference of the Investigating Officer. Artificial humidification (Section-15), is found only in the tea factories and the same has been observed satisfactory.

CHAPTER-9

WELFARE

9.1 In order to ensure the welfare of workers, appropriate provisions have been made under Section 42 to 50 of the Factories Act, 1948. Under Section 45, ambulance room is to be provided in the factory wherein more than 500 workers are ordinarily employed. Under Section 46, State Governments are empowered to frame Rules requiring that in every factory, wherein more than two hundred fifty workers are ordinarily employed, a canteen shall be maintained by the occupier for the use of workers. Similarly, Section 47 envisages that every factory, wherein more than one hundred fifty workers are ordinarily employed, adequate and suitable shelters or rest rooms and lunch rooms with the provision of drinking water, where workers can take meals, should be provided and maintained for the use of workers. Section 48 provides that every factory, wherein more than thirty women are ordinarily employed, should provide and maintain a suitable room/Creche for the use of children below the age of six years of such women workers. Section 49 provides that the occupier of the factories employing 500 or more workers should appoint such number of welfare officers as may be prescribed under the Act to help the management in proper implementation of labour laws. The information relating to Safety Officers, Ambulance Room, Canteens, Creches, Shelters, Lunch Rooms and Welfare officers by States/U.Ts. And by Industries for the year 2023 has been presented in Table 8.1 and 8.2. Majority of the Factories in all the States/Union territories even though all of them were not statutorily required to provide Canteen, Creche and Shelter or Rest Rooms etc., provided these facilities.

Information regarding various welfare facilities as furnished by different States and Union Territories in their reports for the year 2023 on the working of the Factories Act, 1948 is furnished in the following paragraphs:

9.2 ASSAM: The welfare amenities like canteen, shelters/ rest rooms and Creches etc. were provided by sufficient number of the factories as a statutory requirement. These amenities are also provided by some management in their establishment/ factories though they are not statutory bounded to do so. The average daily number of workers utilizing these facilities is highly satisfactory.

9.3 HARYANA: Adequate facilities for storing, washing and drying of clothing etc. were not provided by some factories. The Inspectorate Staff continued to take persuasive and legal steps to implement these provisions, which were to be made in the beginning when factory building plans are submitted to the Chief Inspector of Factories for approval. Various welfare provisions such as First Aid Appliances, Canteens, Shelter, Rest Rooms and Lunch Rooms, Creches and Welfare officers have been implemented satisfactorily. It is commendable that when it comes to the canteens, shelters, rest rooms and lunch rooms, the number of factories which are providing these amenities is greater than the number which is required to provide these amenities as per the purview of the Act. It is worthwhile to mention here that managements of many small units are also providing two times tea free of cost.

9.4 TRIPURA: Over all compliance in implementing various welfare provisions was satisfactory. Compliance of providing Ambulance Room & First aid appliances under section 45 is also satisfactory.

CHAPTER 10

INSPECTIONS AND CONVICTIONS

10.1 Convention No. 81 (Article 22) of the International Labour Organisation required that information relating to the number of Inspectorate Staff under the Factories Act, 1948 may be collected. Such information for the year 2023 relating to various States/Union Territories has been shown in Table 9.2.

10.2 The Factory Inspectorates in various States/Union Territories inspect the factories to ensure that there is no infringement of the provisions of the Factories Act, 1948. Table 9.1 gives information relating to number of factories inspected during the year 2023. Out of 61485 factories inspected, 91.88 per cent factories were inspected only once in the year 2023.

10.3 The Inspectorate Staff inquired into complaints lodged by individual workers, trade unions, private persons, etc., regarding infringement of the provisions of the Factories Act, 1948 and took suitable action, wherever necessary.

10.4 The number of convictions obtained against the factory management for infringement of various provisions of the Factories Act, 1948 from various States/Union Territories during 2023 is given in Table 9.3. The maximum number of Factories i.e. 910 involved in such convictions was reported by Gujarat followed by Tamil Nadu where 904 factories were involved in convictions. Out of the total 5239 convictions, 1274 convictions i.e. 24.32 per cent pertained to the offences relating to Safety Provisions.

Table 1.1

Number of Registered Factories, during 2023

(By States/Union Territories)

Sr. No.	State/Union Territory	On register at the beginning of the year	Newly registered during the year	Removed from the register during the year	On Register at the end of the year	Working on any day during the year	Submitting returns	Percentage Response
1	2	3	4	5	6	7	8	9
1	A . & N. Islands	43	-	-	43	43	33	76.74
2	Andhra Pradesh	26619	2188	2678	26129	18505	4149	22.42

R	Arts, entertainment and recreation
S	Other service activities
T	Activities of households as employers; undifferentiated goods- and services producing activities of households for own use
U	Activities of extraterritorial organizations and bodies

NATIONAL INDUSTRIAL CLASSIFICATION NIC- 2008
(AT TWO DIGIT LEVEL)

Section	Division	Description
A	01	Crop and animal production, hunting and related service activities
	02	Forestry and logging
	03	Fishing and aquaculture
B	05	Mining of coal and lignite
	06	Extraction of crude petroleum and natural gas
	07	Mining of metal ores
	08	Other mining and quarrying
	09	Mining support service activities
C	10	Manufacture of food products
	11	Manufacture of beverages
	12	Manufacture of tobacco products
	13	Manufacture of textiles
	14	Manufacture of wearing apparel
	15	Manufacture of leather and related products
	16	Manufacture of wood and products of wood and cork, except furniture; manufacture of articles of straw and plaiting materials
	17	Manufacture of paper and paper products
	18	Printing and reproduction of recorded media
	19	Manufacture of coke and refined petroleum products
	20	Manufacture of chemicals and chemical products
	21	Manufacture of pharmaceuticals, medicinal chemical and botanical products
	22	Manufacture of rubber and plastics products

	23	Manufacture of other non-metallic mineral products
	24	Manufacture of basic metals
	25	Manufacture of fabricated metal products, except machinery and equipment
	26	Manufacture of computer, electronic and optical products
	27	Manufacture of electrical equipment
	28	Manufacture of machinery and equipment n.e.c.
	29	Manufacture of motor vehicles, trailers and semi-trailers
	30	Manufacture of other transport equipment
	31	Manufacture of furniture
	32	Other manufacturing
	33	Repair and installation of machinery and equipment
D	35	Electricity, gas, steam and air conditioning supply
E	36	Water collection, treatment and supply
	37	Sewerage
	38	Waste collection, treatment and disposal activities; materials recovery
	39	Remediation activities and other waste management services
F	41	Construction of buildings
	42	Civil engineering
	43	Specialized construction activities
G	45	Wholesale and retail trade and repair of motor vehicles and motorcycles
	46	Wholesale trade, except of motor vehicles and motorcycles
	47	Retail trade, except of motor vehicles and motorcycles
H	49	Land transport and transport via pipelines

NATIONAL INDUSTRIAL CLASSIFICATION NIC- 2008
(AT THREE DIGIT LEVEL)

Group	Description
011	Growing of non-perennial crops
012	Growing of perennial crops
013	Plant propagation
014	Animal production
015	Mixed farming
016	Support activities to agriculture and post-harvest crop activities
017	Hunting, trapping and related service activities
021	Silviculture and other forestry activities
022	Logging
023	Gathering of non-wood forest products
024	Support services to forestry
031	Fishing
032	Aquaculture
051	Mining of hard coal
052	Mining of lignite
061	Extraction of crude petroleum
062	Extraction of natural gas
071	Mining of iron ores
072	Mining of non-ferrous metal ores
081	Quarrying of stone, sand and clay
089	Mining and quarrying n.e.c.
091	Support activities for petroleum and natural gas mining
099	Support activities for other mining and quarrying
101	Processing and preserving of meat
102	Processing and preserving of fish, crustaceans and molluscs
103	Processing and preserving of fruit and vegetables
104	Manufacture of vegetable and animal oils and fats
105	Manufacture of dairy products
106	Manufacture of grain mill products, starches and starch products
107	Manufacture of other food products
108	Manufacture of prepared animal feeds
110	Manufacture of beverages
120	Manufacture of tobacco products
131	Spinning, weaving and finishing of textiles
139	Manufacture of other textiles
141	Manufacture of wearing apparel, except fur apparel
142	Manufacture of articles of fur
143	Manufacture of knitted and crocheted apparel
151	Tanning and dressing of leather; manufacture of luggage, handbags, saddlery and harness; dressing and dyeing of fur
152	Manufacture of footwear
161	Sawmilling and planing of wood
162	Manufacture of products of wood, cork, straw and plaiting materials

170	Manufacture of paper and paper products
181	Printing and service activities related to printing
182	Reproduction of recorded media
191	Manufacture of coke oven products
192	Manufacture of refined petroleum products
201	Manufacture of basic chemicals, fertilizer and nitrogen compounds, plastics and synthetic rubber in primary forms
202	Manufacture of other chemical products
203	Manufacture of man-made fibres
210	Manufacture of pharmaceuticals, medicinal chemical and botanical products
221	Manufacture of rubber products
222	Manufacture of plastics products
231	Manufacture of glass and glass products
239	Manufacture of non-metallic mineral products n.e.c.
241	Manufacture of basic iron and steel
242	Manufacture of basic precious and other non-ferrous metals
243	Casting of metals
251	Manufacture of structural metal products, tanks, reservoirs and steam generators
252	Manufacture of weapons and ammunition
259	Manufacture of other fabricated metal products; metalworking service activities
261	Manufacture of electronic components
262	Manufacture of computers and peripheral equipment
263	Manufacture of communication equipment
264	Manufacture of consumer electronics
265	Manufacture of measuring, testing, navigating and control equipment; watches and clocks
266	Manufacture of irradiation, electromedical and electrotherapeutic equipment
267	Manufacture of optical instruments and equipment
268	Manufacture of magnetic and optical media
271	Manufacture of electric motors, generators, transformers and electricity distribution and control apparatus
272	Manufacture of batteries and accumulators
273	Manufacture of wiring and wiring devices
274	Manufacture of electric lighting equipment
275	Manufacture of domestic appliances
279	Manufacture of other electrical equipment
281	Manufacture of general purpose machinery
282	Manufacture of special-purpose machinery
291	Manufacture of motor vehicles
292	Manufacture of bodies (coachwork) for motor vehicles; manufacture of trailers and semi-trailers
293	Manufacture of parts and accessories for motor vehicles
301	Building of ships and boats

302	Manufacture of railway locomotives and rolling stock
303	Manufacture of air and spacecraft and related machinery
304	Manufacture of military fighting vehicles
309	Manufacture of transport equipment n.e.c.
310	Manufacture of furniture
321	Manufacture of jewellery, bijouterie and related articles
322	Manufacture of musical instruments
323	Manufacture of sports goods
324	Manufacture of games and toys
325	Manufacture of medical and dental instruments and supplies
329	Other manufacturing n.e.c.
331	Repair of fabricated metal products, machinery and equipment
332	Installation of industrial machinery and equipment
351	Electric power generation, transmission and distribution
352	Manufacture of gas; distribution of gaseous fuels through mains
353	Steam and air conditioning supply
360	Water collection, treatment and supply
370	Sewerage
381	Waste collection
382	Waste treatment and disposal
383	Materials recovery
390	Remediation activities and other waste management services
410	Construction of buildings
421	Construction of roads and railways
422	Construction of utility projects
429	Construction of other civil engineering projects
431	Demolition and site preparation
432	Electrical, plumbing and other construction installation activities
433	Building completion and finishing
439	Other specialized construction activities
451	Sale of motor vehicles
452	Maintenance and repair of motor vehicles
453	Sale of motor vehicle parts and accessories
454	Sale, maintenance and repair of motorcycles and related parts and accessories
461	Wholesale on a fee or contract basis
462	Wholesale of agricultural raw materials and live animals
463	Wholesale of food, beverages and tobacco
464	Wholesale of household goods
465	Wholesale of machinery, equipment and supplies
466	Other specialized wholesale
469	Non-specialized wholesale trade
471	Retail sale in non-specialized stores
472	Retail sale of food, beverages and tobacco in specialized stores
473	Retail sale of automotive fuel in specialized stores
474	Retail sale of information and communications equipment in specialized stores

475	Retail sale of other household equipment in specialized stores
476	Retail sale of cultural and recreation goods in specialized stores
477	Retail sale of other goods in specialized stores
478	Retail sale via stalls and markets
479	Retail trade not in stores, stalls or markets
491	Transport via railways
492	Other land transport
493	Transport via pipeline
501	Sea and coastal water transport
502	Inland water transport
511	Passenger air transport
512	Freight air transport
521	Warehousing and storage
522	Support activities for transportation
531	Postal activities

About the Labour Bureau ……..

Labour Bureau is an apex organization at the national level providing data for policy formulation, evaluation and research since 1920. The Labour Bureau, in the Union Ministry of Labour and Employment, is the epicenter of all activities involving planning, collection and dissemination of data on various facets of Labour which forms a sound basis for decision making in the Government, industry and by various other user organizations/individuals. Labour Bureau is a store house of important economic indicators like the Consumer Price Index (CPI) Number for Industrial Workers, CPI for Agricultural and Rural Labourers, wage rates, industrial relations and socio-economic conditions in un-organized sector, evaluation and review of working of Labour Legislations in the country. Labour Bureau has been providing uninterrupted services to the national and international for a like ILO since its inception. Today, it has assumed an important role in the Labour matters, Labour Intelligence and acquired an undisputed and indispensable status in the field of Labour statistics. Equipped with the expertise of conducting survey at the National / Regional level in diverse fields and in providing in depth analysis, the organization continues in its pursuit of excellence.
