Table-5	Comparative Minimum Wage Rates prevailing in Scheduled Employments in Central Sphere/States/Union Territories as on 31.12.2021.	81-135
Table-6	Number of establishments covered, number of establishments submitting return under the Minimum Wages Act, 1948, and the average daily number of persons employed during the year 2021.	136-137
Table-7	Number of inspections made, irregularities detected, prosecutions launched and claims preferred in the Central Sphere/State and U.Ts for the year 2021.	138-139
Annexure I	List of original employments included in the Schedule under Minimum Wages Act, 1948	140
Annexure II	Machinery for Enforcement of Minimum Wages Act, 1948 for the year 2021.	141-144
Annexure III	Prescribed Consolidated Return under the Minimum Wages Act, 1948	145-153
Annexure IV	List of reports brought out on the subject till date.	154-155
Annexure V	Officers / Officials Associated with the Preparation of the Report	156

EXECUTIVE SUMMARY

- The report on the working of the Minimum Wages Act, 1948 pertains to the year 2021.
- The report is based on the Statistics>Returns received from all the States/Union Territories and Chief Labour Commissioner (CLC) Central for the year 2021.
- Amongst the States, maximum numbers of scheduled employments were reported from Assam (103) and the minimum number was reported from Mizoram (1).
- In case of Union Territories, maximum numbers of scheduled employments were reported from Daman and Diu (72) and the minimum were reported from A&N Islands (7).
- There was no uniformity in the wage structure among the various States/Union Territories as some States/UTs pay consolidated wages (Basic + Dearness Allowance) and the others report D.A. as a separate component.
- The maximum difference of highest and lowest paid minimum wages is Rs. 580.75 for Tamil Nadu.
- The Highest Minimum wages of Rs. 910.27 paid by the Kerala in Cable television and the lowest of Rs. 55.00 by Puducherry in the scheduled employment of Agriculture (Yanam region).
- Total of 454 different types of scheduled employments were reported where the minimum wage rates have been fixed by the States/Union Territories/CLC.
- Among the reporting establishments, the lowest response rate of about 0.051% was for Chandigarh whereas it was as high as 100% in the Nagaland State.
- The highest numbers of inspections (26804) were reported from the state of Tamil Nadu and the lowest numbers were reported from Mizoram (05).
- The highest numbers of irregularities detected were reported by Goa (5494) and the lowest (02) were observed in Telangana.
- The highest number of prosecutions launched were reported by Kerala (621) and the lowest number of prosecutions launched were reported by Bihar (01).
- The highest number of claims were preferred by Rajasthan (6600) and the lowest were preferred by Telangana (02).

CHAPTER-1

The Minimum Wages Act - An introduction

I. INTRODUCTION

1.1 The purpose of seeking employment is to sell labour to earn wages so as to attain a 'decent' or 'dignified' standard of living. The wage or income that a worker obtains from his /her work is therefore, what enables him /her to achieve a fair standard of living. One seeks a fair wage both to fulfil one's basic needs and to feel reassured that one receives a fair portion of the wealth in return for one's work. Society and the appropriate Government has a duty to ensure a fair wage to every worker, to ward off starvation and poverty, to promote the growth of human resources, and to ensure social justice without which likely threats to law and order may undermine economic progress.

1.2 The Constitution of India accepts the responsibility of the State to create an economic order in which every citizen finds employment and receives a 'fair wage'. This made it necessary to quantify or lay down clear criteria to identify a fair wage. Therefore, a Central Advisory Council in its first session (November, 1948) appointed a Tripartite Committee on Fair Wages. The Committee consisted of representatives of employers, employees and the Government. Their task was to enquire into and report on the subject of fair wages to labour.

1.3 THE COMMITTEE ON FAIR WAGES defined three different levels of wages viz;

- (i) Living wage
- (ii) Fair wage
- (iii) Minimum Wage

1.3.1 Living Wage

The living wage, according to the Committee, represented the highest level of the wage which should enable the worker to provide for himself and his family not merely the basic essentials of food, clothing and shelter but a measure of comfort including education for children, protection against ill health, requirements of essential social needs and a measure of insurance against more important misfortunes including old age. But the Committee felt that when such a wage is to be determined, the considerations of national income and the capacity to pay of the industry concerned has to be taken into account and the Committee was of the opinion that living wage had to be the ultimate goal or the target.

1.3.2 Fair Wage

1.3.2(i) For Fair Wages, Committee observed: “the objective is not merely to determine wages which are fair in the abstract, but to see that employment at existing levels is not only maintained, but if possible increased. From this point of view, it will be clear that the levels of the wages should enable the industry to maintain production with efficiency. The capacity of industry to pay should, therefore, be assessed by the Wage Boards in the light of this very important consideration.”

1.3.2(ii) For Fair Wages, Committee also recommended that the fair wage should be related with the productivity of labour. In this connection, it may be said that in India since the existing level of wages is unable to maintain the workers on subsistence plus standard, it is essential that the workers must be first assured a living wage and only after this minimum has been done, the wages should be related to the productivity. The Committee further recommended that the fair wage should be related with the prevailing rates of the wages, though in view of unduly low wages prevailing even in organized industries in the country, it laid down that the wage fixing machinery should, therefore, make due allowance for any depression of wages caused by unequal bargaining.

1.3.2(iii) With regard to the machinery to be adopted for the fixation of fair wages, the Committee favoured the setting up of Wage Boards. It recommended that there should be a State Board for each State, composed of independent members and representatives of employers and employees in equal numbers. In addition to the State Board, there should be a Regional Board for each of the industry taken up for wage regulation. Finally, there should be a Central Appellate Board to which appeals may be preferred on the decision of the Wage Boards. On the recommendations of the Committee on Fair Wages, a bill was introduced in the Parliament in August 1950, known as Fair Wages Bill. It aimed at fixing fair wages for workers employed in the first instance, in factories and mines. It contained various other useful provisions also. But the bill now stands lapsed.

1.3.2(iv) The Fair Wages Committee appointed by the Government of India, as stated earlier, drew a distinction between a minimum and a living wage and observed that the minimum wage is less than the living wage. With regard to the fair wage, the Committee recommended that it should be above the minimum wage and below the living wage.

1.3.3 Minimum Wage

1.3.3(i) The Committee was of the view that a minimum wage must provide for not merely the bare sustenance of life, but for the preservation of the efficiency of the worker.

For this purpose, the minimum wage must also provide for some measure of education, medical requirements and amenities.

1.3.3(ii) The statutory Minimum Wage is the wage determined according to the procedure prescribed by the relevant provisions of the Minimum Wages Act, 1948.

1.3.3(iii) The question of establishing statutory wage fixing machinery in India was, therefore, discussed at the third and fourth meetings of the *Standing Labour Committee* held in 1943 and 1944 respectively and at successive sessions of the *Tripartite Labour Conference* in the year 1943, 1944 and 1945. The last of these approved the enactment of minimum wages legislation in principle. On April 11, 1946, a Minimum Wages Bill was introduced in Parliament but the passage of the Bill was considerably delayed by the constitutional changes in India. It was, however, passed into an Act in March, 1948.

1.3.3(iv) The Act applies to the employments (Annexure I) that are included in Part I and II of the Schedule Appended to the Act. The authority to include an employment in the schedule and to take steps for getting the minimum rates of wages fixed or revised vests with the Government – Central or State, according to the nature of employment. Once the minimum rates of wages are fixed according to the procedure prescribed by law, it is the obligation of the employer to pay the said wages irrespective of the capacity to pay.

1.4 CONCEPT OF THE MINIMUM WAGES AS DEFINED IN THE VARIOUS INTERNATIONAL LABOUR ORGANISATION (ILO) CONFERENCES

A brief history of the concept of Minimum Wages as taken up by the various International Labour Organisation Conferences from time to time is traced in the following paragraphs.

1.4.1 CONVENTION # 26

ELEVENTH SESSION (1928)

Eleventh Session held on 30th May, 1928, was convened at Geneva. Adoption of proposals with regard to Minimum Wage Fixing Machinery was the first item on the agenda of the Session.

1.4.2 CONVENTION # 99

THIRTY FOURTH SESSION (1951)

The Thirty Fourth Session was held on 6th June, 1951 and the Convention concerning the Minimum Wage Fixing Machinery in Agriculture was the eighth item on the agenda of the Session. The guidelines for creation / maintenance of adequate machinery whereby Minimum Wages can be fixed for agricultural workers were similar to those stated for Minimum Wage Fixing Machinery in the 11th Session of the ILO.

1.4.3 CONVENTION # 131

FIFTY FOURTH SESSION (1970)

The General Conference of the ILO met in its 54th Session on 3rd June, 1970 in Geneva and passed the Convention concerning Minimum Wage Fixing, with special reference to developing countries on 22nd June, 1970. It was thought that the earlier Conventions with regard to the Minimum Wages had played a valuable part in protecting disadvantaged groups of wage earners and that another Convention was needed to complement the earlier ones, which, while of general application, will pay special regard to the needs of developing countries.

1.5 MINIMUM WAGE DEFINED IN THE VARIOUS SESSIONS OF INDIAN LABOUR CONFERENCES

1.5.1 FIFTEENTH SESSION, (1957)

At the 15th Session of the Indian Labour Conference held at New Delhi in July 1957, an important resolution was passed, which laid down that the minimum wage should be need-based and should ensure the minimum human needs of the industrial worker. The following norms were accepted as a guide for all wage- fixing authorities including Minimum Wage Committees, Wage Boards, Adjudicators, etc.:

- (i) In calculating the minimum wage, the standard working class family should be taken to comprise three consumption units for one earner, the earnings of women, children and adolescents being disregarded.
- (ii) Minimum food requirements should be calculated on the basis of a net intake of 2700 calories as recommended by Dr. Akroyd for an average Indian adult of moderate activity.
- (iii) Clothing requirements should be estimated on the basis of a per capita consumption of 18 yards per annum, which would give for the average worker's family of four a total of 72 yards.
- (iv) In respect of housing, the norm should be the minimum rent charged by Government in any area for houses provided under the Subsidised Industrial Housing Scheme for low – income groups ; and
- (v) Fuel, lighting and other miscellaneous items of expenditure should constitute 20 per cent of the total minimum wage. The Resolution further laid down that wherever the minimum wage fixed was below the norms recommended above, it would be incumbent on the authorities concerned to justify the circumstances

which prevented them from adherence to the aforesaid norms. The Resolution, thus, tried to give a concreteness to the whole concept of minimum wage.

In 1991, the Supreme Court in its judgment expressed the view that children's education, medical requirement, minimum recreation, including festivals, ceremonies, provision for old age and marriage should further constitute 25 per cent and be used as a guide for fixing the minimum wage.

1.5.2 THE THIRTIETH SESSION (1992)

The Indian Labour Conference in its Thirtieth Session in September, 1992 expressed the view that while the tendency to fix minimum wages at unrealistically high levels must be checked, implementation of wages once fixed must be ensured. It felt that the implementation machinery, consisting of labour administration in the States had been far from effective. It was desirable that workers' organizations and non-governmental voluntary organizations etc., played a greater role instead of engaging an army of inspectors for this purpose.

1.5.3. REVISION

The Minimum Wage rates should be revised at an appropriate interval not exceeding five years.

1.6 PROCEDURE FOR FIXATION/REVISION

In (Section 5 of) the Minimum Wages Act, 1948, two methods have been provided for fixation/revision of minimum wages. They are the Committee method and Notification method.

(i) COMMITTEE METHOD

Under this method, committees and sub-committees are set up by the appropriate Governments to hold enquiries and make recommendations with regard to fixation and revision of minimum wages, as the case may be.

(ii) NOTIFICATION METHOD

In this method, Government proposals are published in the Official Gazette for information of the persons likely to be affected thereby and specify a date not less than two months from the date of the notification on which the proposals will be taken into consideration. After considering advice of the Committees/Sub-committees and all the representations received by the specified date in Notification method, the appropriate Government shall, by notification in the Official Gazette, fix/revise the minimum wages in respect of the concerned scheduled employment and it shall come into force on expiry of three months from the date of its issue.

1.7 VARIABLE DEARNESS ALLOWANCE (VDA)

It was recommended in the Labour Ministers' Conference held in the year 1988, to evolve a mechanism to protect wages against inflation by linking it to rise in the Consumer Price Index. The Variable Dearness Allowance came into being in the year 1991. The allowance is revised twice a year, once on 1st April and then on 1st October.

1.8 ENFORCEMENT MACHINERY

The enforcement of the provisions of the Minimum Wages Act in the Central Sphere is secured through the officers of Central Industrial Relations Machinery. In so far as State Sphere is concerned, the enforcement is the responsibility of the respective State Government/Union Territory. Statement showing the strength of Enforcement Machinery available in different States/Union Territories for enforcement of Minimum Wages Act, 1948 during the year 2021 is given in Annexure II.

1.9 NATIONAL WAGE POLICY

Though it is desirable to have a National Wage Policy, it is difficult to conceive a concept of the same. The issue of National Wage Policy has been discussed on many occasions at various forums. Because fixation of wages depends on a number of criteria like local conditions, cost of living and paying capacity which also varies from State to State and from industry to industry, it would be difficult to maintain uniformity in wages. The Indian Labour Conference, held in November, 1985 expressed the following views-

“Till such time a national wage policy does not come into being, it would be desirable to have regional minimum wages in regard to which the Central Government may lay down the guidelines. The Minimum Wages should be revised at regular periodicity and should be linked with rise in the cost of living”

Accordingly, the Government issued guidelines in July, 1987 for setting up of Regional Minimum Wages Advisory Committees. These Committees renamed subsequently as Regional Labour Ministers' Conference, made a number of recommendations which include reduction in disparities in minimum wages in different states of a region, setting up of inter-state Coordination Council, consultation with neighbouring States while fixing/revising minimum wages etc.

1.10 REGIONAL COMMITTEES TO REDUCE DISPARITIES IN WAGES

There is disparity in rates of minimum wages in various regions of the country. This is due to the differences in socio-economic and agro-climatic conditions, prices of essential commodities, paying capacity, productivity and local conditions influencing the wage rate. The regional disparity in minimum wages is also attributed to the fact that both the Central and State Governments are the appropriate Government to fix, revise and enforce minimum wages in scheduled employments in their respective jurisdictions under the Act . To bring uniformity in the minimum wages of scheduled employments, the Union Government has requested the States to form regional Committees. At present there are five Regional Minimum Wages Advisory Committees in the country which are as under:-

NAME OF THE REGION	STATE/UNION TERRITORY
Eastern Region	West Bengal, Odisha, Bihar, Jharkhand and Andaman & Nicobar Islands.
North Eastern Region	Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Sikkim, Nagaland and Tripura.
Southern Region	Andhra Pradesh, Karnataka, Kerala, Tamil Nadu, Telangana, Puducherry and Lakshadweep.
Northern Region	Punjab, Rajasthan, Himachal Pradesh, Jammu & Kashmir, Haryana, Uttar Pradesh, Uttarakhand, Delhi and Chandigarh.
Western Region	Maharashtra, Gujarat, Goa, Madhya Pradesh, Chhattisgarh, Dadra & Nagar Haveli and Daman & Diu.

1.11 CONCEPT OF NATIONAL FLOOR LEVEL MINIMUM WAGE

In order to have a uniform wage structure and to reduce the disparity in minimum wages across the country, the concept of National Floor Level Minimum Wage was mooted on the basis of the recommendations of the National Commission on Rural Labour (NCRL)

in 1991. Keeping in view the recommendation of NCRL and subsequent rise in price indices, the National Floor Level Minimum Wage was fixed at Rs. 35/- per day in 1996. The Central Government raised the National Floor Level Minimum Wage to Rs. 40/- per day in 1998 and further to Rs. 45/- with effect from 01.12.1999, and Rs. 50/- per day with effect from 1.9.2002. Based on the norms suggested by the Working Group and its acceptance by the Central Advisory Board subsequently in its meeting held on 19.12.2003, national floor level minimum wage was revised upward to Rs. 66/- per day with effect from 1.02.2004 and subsequently it was increased to Rs. 80.00 per day with effect from 1.9.2007. The Central Government has increased the National Floor Level Minimum Wage from Rs. 80/- to Rs. 100/- per day with effect from 1.11.2010. These have further been revised to Rs. 115.00 and Rs 137.00 per day w.e.f. 01.07.2013 and Rs. 160 w.e.f 1st July 2015. This rate has gradually been scaled up to Rs. 176 per day w.e.f. 1st July 2017. The National Floor Level Minimum Wage, however, has no statutory backing. The State Governments are persuaded to fix minimum wages such that in none of the scheduled employment¹, the minimum wage is less than National Floor Level Minimum Wage.

1.12 MAIN PROVISIONS OF THE MINIMUM WAGES ACT, 1948

Following are the main provisions of the Act:-

1.12.1 FIXING OF MINIMUM RATES OF WAGES

It provides for fixing minimum wages in certain employments where labour is ignorant or less organised and is vulnerable to exploitation. Minimum wages are not to be fixed in respect of any industry in which there are less than 1,000 employees in the whole State. (Under the 1957 amendment to the Act of 1948, this limiting condition has been substantially relaxed.)

1.12.2 The Act provides for the fixation of

- (a) A minimum time rate
- (b) A minimum piece rate
- (c) A guaranteed time rate
- (d) An overtime rate appropriate to different occupations and different classes of workers.

¹ “Scheduled employment” means an employment specified in the schedule appended to the Minimum Wages Act, or any process or branch of work forming part of such employment.

1.12.3 The minimum wage fixed or revised by the appropriate Government² will include the following

- (a) A basic rate of wages and a special allowance at a rate to be adjusted, at such intervals and in such manner as the appropriate government may direct, to accord as nearly as practicable with the variation in the cost of living index number³ applicable to such workers.
- (b) A basic rate of wages with or without the cost of living allowance and the cash value of the concessions in respect of suppliers of essential commodities at concession rates, where so authorised: or
- (c) An all inclusive rate allowing for the basic rate, the cost of living allowance and the cash value of the concessions, if any.
- (d) The cost of living allowance and the cash value of the concessions in respect of supplies of essential commodities at concession rate shall be computed by the competent authority⁴ at such intervals and in accordance with such directions as may be specified or given by the appropriate government. The Act lays down that wages should be paid in cash, although it empowers the appropriate Governments for the payment of minimum wages wholly or partly in kind.

1.13 PAYMENT OF MINIMUM RATE OF WAGES

The employer is required to pay to every employee, engaged in a scheduled employment under him, wages at a rate not less than the minimum rate of wages notified for that class of employees without any deduction except as may be authorised.

1.14 FIXING HOURS FOR NORMAL WORKING DAY

In regard to any scheduled employment, minimum rates of wages in respect of which have been fixed under this Act, the appropriate Government may

² As per the Act , the appropriate government means (i) In relation to any scheduled employment carried on by or under the authority of the Central Government or a railway administration or in relation to a mine, oilfield or major port or any corporation established by a Central Act, the Central Government and (ii) In relation to any other scheduled employment , the State Government.

³ Cost of living index number in relation to employees in any scheduled employment in respect of which minimum rates of wages have been fixed , means the index number ascertained and declared by the competent authority by notification in the Official Gazette to be the cost of living index number applicable to employee in such employment.

⁴ Competent authority means the authority appointed by the appropriate government by notification in its Official Gazette to ascertain from time to time the cost of living index number applicable to the employees employed in the scheduled employment specified in such notification.

- (a) fix the number of hours of work which shall constitute a normal working day, inclusive of one or more specified intervals;
- (b) provide for a day of rest in every period of seven days which shall be allowed to all employees or to any specified class of employees and for the payment of remuneration in respect of such days of rest;
- (c) provide for payment for work on a day of rest at a rate not less than the overtime rate.

1.15 WAGES FOR TWO OR MORE CLASSES OF WORK

If an employee performs two or more classes of work, to each of which a different rate of wage is applicable, the employer is required to pay to such an employee in respect of the time respectively occupied in each such class of work, wages at not less than the minimum rate in force in respect of each such class.

1.16 MAINTENANCE OF REGISTERS AND RECORDS

Every employer is required to maintain registers and records giving particulars of employees, the work performed by them, the wages paid to them, the receipts given by them and any other required particulars.

1.17 INSPECTIONS

The appropriate Government may, by notification in the Official Gazette, appoint inspectors for this purpose under the Act and define the local limits for their functions.

1.18 CLAIMS

The appropriate Government may, by notification in the Official Gazette, appoint Labour Commissioner or Commissioner for Workmen's Compensation or any officer not below the rank of Labour Commissioner or any other officer with experience as a judge of a civil court or as a Stipendiary Magistrate, to hear and decide for any specified area, all claims arising out of the payment of less than the minimum rates of wages as well as payment for days of rest or for work done.

1.19 AUTHORISED DEDUCTIONS

The deductions can be made on account of:

- (a) Fines
- (b) Damage or Loss
- (c) Breach of Contract

Chapter-2

STATISTICS COLLECTED UNDER THE MINIMUM WAGES ACT, 1948

2.1 All establishments covered under the Act are required to furnish to the concerned authority (Central or State) an annual return in prescribed form as per the rules framed under the Minimum Wages Act, 1948. The Centre / State Governments in turn send a consolidated return (Annexure III) to the Labour Bureau which compiles an all India report based on the data contained in these returns after scrutiny to ensure accuracy and consistency of data. Where the monthly Minimum Wages have been reported, these have been converted to daily minimum wages by dividing the monthly wages by 26, the fortnightly and weekly minimum wages have been divided by 12 and 6 respectively to arrive at the daily minimum wage.

2.2 ADDITION OF NEW EMPLOYMENTS

2.2.1 The State Governments and the Union Territories review the Scheduled Employments under their jurisdiction from time to time and add new employments in respect of which it is of the opinion that minimum rates of wages should be fixed statutorily in addition to the existing ones.

2.2.2 During the year 2021, Manipur state have added new employments to the schedule appended to the Act (Table 1).

2.3 FIXATION OF MINIMUM WAGES FOR THE FIRST TIME

Table 2 used to show the data related to the fixation of Minimum Wages for the first time. But during the year 2021, there is no scheduled employment in which the minimum wages were fixed for the first time.

2.4 SCHEDULED EMPLOYMENTS AND PREVAILING MINIMUM WAGE RATES

The Central Government and the different State Governments have been maintaining a set of scheduled employments for fixing minimum rates of wages under their respective jurisdiction. This set undergoes a change as and when there is an addition of an employment in the schedule appended to the Minimum Wages Act, 1948 by these appropriate Governments.

Table 3 presents the data for 37 States/Union Territories and CLC (Central) on Minimum Wages for Unskilled Workers in Scheduled Employments as on 31.12.2021. The number of scheduled employments varies from State to State and so do the minimum wages. Amongst the States, the largest number of scheduled employments were reported from Assam which stood at 103 and the lowest number i.e. 1 was reported from Mizoram. In case of Union Territories, the maximum numbers of scheduled employments i.e. 72 were reported from

Daman & Diu and the minimum i.e. 7 from Andaman & Nicobar Islands. An analysis of the table also shows that there is no uniformity in the wage structure as some States pay consolidated wages (Basic + Dearness Allowance) and some are reporting D.A. as a separate component.

2.5 SCHEDULED EMPLOYMENTS AND RANGE OF MINIMUM WAGE RATES

2.5.1 The total number of employments in respect of which the minimum wage rates have been fixed / revised and the range of minimum wage rates in different States / Union Territories as on 31.12.2021 have been presented in Table 4.

2.5.2 It emerges from the table that the number of scheduled employments was highest in the State of Assam (103) followed by Odisha (89), Bihar (88), Tamil Nadu (83), Karnataka (82), Kerala (80), Jharkhand & Uttar Pradesh(77), West Bengal (76), Andhra Pradesh and Telangana (73), Daman and Diu (72) and Punjab & Madhya Pradesh (71).

2.5.3 The dispersion of wage rates as measured by the range between the lowest minimum wage rate and the highest minimum wage rate at all States / U.Ts. level is very high, which is reflected by the fact that it is zero in case of the States/Union Territories which are paying equal wages to all the unskilled workers in all the scheduled employments whereas it is the maximum in case of Tamil Nadu i.e. Rs. 580.75.

2.6 MINIMUM WAGE RATES IN SCHEDULED EMPLOYMENTS IN CENTRAL SPHERE / STATES / UNION TERRITORIES

2.6.1 Table 5 depicts a comparative picture of the minimum wage rates per day prevailing in the scheduled employments in Central Sphere / States / Union Territories. The main purpose of classifying this information is:

- (a) to study the inter-State variations in the minimum wage rates in a particular scheduled employment and
- (b) to present the number and names of the States / U.Ts. fixing minimum wages for a particular employment.

2.6.2 It is observed from Table 5 that as on 31.12.2021 there were in all 454 different types of scheduled employments all over India for which minimum wage rates have been fixed / revised by the Central Government / States / Union Territories submitting returns. However differences in the range of minimum wages were found in the same scheduled employment in States or U.Ts. For instance, in Agriculture, the minimum wage rate of Rs. 55.00 per day was reported from the State of Puducherry (Yanam Region) and Rs. 617.85 was prevalent in

Delhi. Similarly, in Public Motor Transport, minimum wage rate of Rs. 73.57 was observed in the States of Tripura and Rs. 617.85 per day was found in Delhi. Further in Construction/Maintenance of Building and Roads, minimum wage rate of Rs.176.00 per day was found in Nagaland and Rs. 642.95 in Tamilnadu. In case of Dal/Flour/Rice Mills, minimum wage rate of Rs. 200.00 per day was reported from the Arunachal Pradesh and Rs. 617.85 per day was prevalent in Delhi. In the case of Oil Mills, minimum wage rate of Rs. 200.00 per day was reported from the Arunachal Pradesh and maximum of Rs. 617.85.00 in Delhi. In Shops and Commercial Establishments, minimum wage rate of Rs. 176.00 per day was reported from Nagaland and Rs. 617.85 per day was prevalent in Delhi. The same pattern is observable in the other scheduled employments as well. Table-3 shows that highest minimum wages are being paid by Kerala which stood at Rs. 910.27 in the Cable Television scheduled employment.

2.7 SUBMISSION OF RETURNS

Details regarding the number of establishments covered under the Minimum Wages Act, 1948 and those submitting returns as well as average daily employment have been presented in Table 6. In the State/UTs, the response rate was as low as 0.051 per cent in the Chandigarh and as high as 100.00 per cent in Nagaland.

2.8 INSPECTIONS

2.8.1 The State-wise details of Inspections made, irregularities detected, prosecutions launched and claims preferred have been given in Table 7.

2.8.2 In the States/U.Ts., the highest numbers of inspections (26804) were reported from the state of Tamil Nadu followed by (6694) the State of Assam and the highest numbers of irregularities were detected by Goa (5494) and followed by (4991) by Kerala. On the other hand the Lowest (05) inspections were made by Mizoram whereas no irregularities were observed in Arunachal Pradesh, Meghalaya, Mizoram, Nagaland, Sikkim, A.& N. Islands Lakshadweep and Puducherry. In the State sphere, the highest numbers of prosecutions were launched by kerala (621) whereas no prosecutions were launched in Arunachal Pradesh, Meghalaya, Manipur, Mizoram, Nagaland, Sikkim, Tripura, Telangana, A.& N. Islands, Lakshadweep and Puducherry. The highest numbers of claims were preferred by Rajasthan (6600) followed by Karnataka (929) whereas no claims were preferred by Arunachal Pradesh,

Goa, Gujarat, Meghalaya, Manipur, Mizoram, Nagaland, Sikkim, Tripura, A.& N. Islands, Chandigarh, Lakshadweep and Puducherry.

2.9 ENFORCEMENT OF THE ACT

Mere fixation / revision of wages would not be sufficient unless it is ensured that the workers are paid accordingly. Thus provision of adequate staff is a must for successful implementation of the Minimum Wages Act. The Statement showing the strength of the machinery for enforcement of the Minimum Wages Act, 1948 during the year 2021 has been given in Annexure- II.

TABLE- 1**EMPLOYMENTS ADDED SUBSEQUENTLY TO THE SCHEDULE APPENDED TO THE MINIMUM WAGES ACT, 1948 DURING THE YEAR 2021**

SR.NO.	STATE / UNION TERRITORY	EMPLOYMENTS ADDED SUBSEQUENTLY TO THE SCHEDULE APPENDED TO THE MINIMUM WAGES ACT, 1948 DURING THE YEAR 2021	
1	Manipur	1	Employment in rice mill, flour mill or dal Mill
		2	Employment in sweeping and cleaning
		3	Employment in local authority
		4	Employment in private hospitals, nursing homes or clinics
		5	Employment in private educational institutions
		6	Employment in brick kilns
		7	Employment in oil mill
		8	Employment in domestic work
		9	Employment in stone breaking or stone crushing
